

**QUINTA DO
INFANTADO
TAWNY PORT**

Very characteristic of the Infantado style, this is a rich wine, normally from 2-3 different vintages. A lighter, slightly sweeter and more mature wine than our Ruby Porto, it is aged in casks and small toneis to show more wood-influenced flavors.

**QUINTA DO
INFANTADO
ESTATE RESERVE
PORT**

This *Vintage Character* Porto is produced from old vineyard blocks at Infantado, planted more than forty years ago and is aged roughly four years in cask. Sometimes described as a “Super” or “Premium” Ruby, this wine is very dark in color, rich and long on the palate. The backbone of this bottling is always a vintage quality Porto, and the other Portos in the blend are chosen so as to make it more ready to drink. Great value.
